# **Kitchen Replacements**

Planned Maintenance Programme

#### 2022-2023

#### Please note that this list is regularly updated and improved.

It is not uncommon for the programmes to change slightly. We are constantly checking the information held on our Stock Condition Database and this sometimes alters the numbers of properties we include in the programme.

We sometimes find that some tenants do not want certain works carried out for a number of different reasons. If this happens, we include another property.
