# What is 'Active Dover'?...

'Active Dover' is a collection of partners who have a desire to develop and promote sport and active recreation across the Dover District.

The partnership is generically known as a 'Community Sport Network' (CSN), which are emerging across the country with guidance from Sport England.

# What is its purpose?

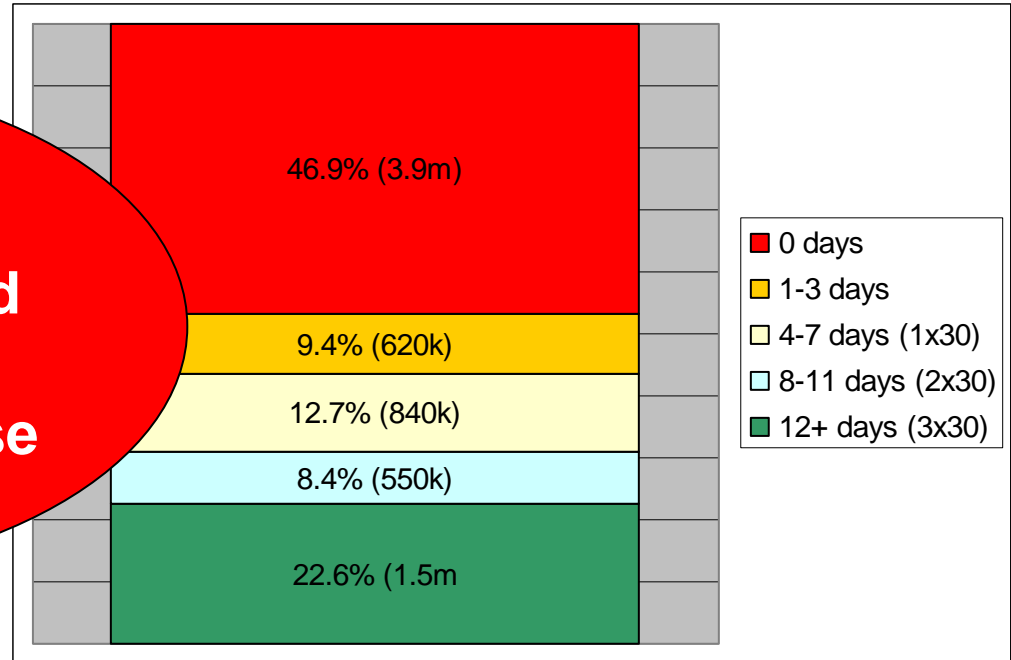

1. To increase the number of people taking part in sport and active recreation by 1% year on year ( measured by Ipsos MORI ),
2. To widen access & opportunities for sport and active recreation,
3. To bring together and align partners' existing priorities and targets within one joined up local action plan for sport and active recreation.
