

Do you use taxis in Dover District?

We are interested in your views of licensed vehicle services and in particular, hackney carriage services provided throughout the Council area.

Do services currently meet your needs? What's good? What's not so good?

We are interested in your views. The Council have commissioned consultants, LVSA , to undertake an independent survey of demand for hackney carriage services. This type of survey is required periodically, in accordance with Department for Transport Guidance. LVSA have prepared an online survey to enable the public to provide their opinions. Please complete the online survey. Normally, this takes less than 3 minutes. But if you have lots to tell us, it could take longer!

The link to the survey is: <https://forms.gle/BqzTFQUSaba2iNh5>

The survey will remain open until the 9<sup>th</sup> September 2022.
