

Animal Activity Licence Fees 2026-2027

There are 2 parts to each fee

Part A – This fee covers the processing of your application, carrying the inspection and completing the inspection report (non-refundable)

Part B – If you are successful in being granted a licence, this payment will depend on the risk rating your establishment receives during the inspection. This includes the issuing of the licence, the mid-term inspection and monitoring of compliance of the licence.
