## How much can we ask for?

You can apply for a grant of between £100 and £5000.

## What kinds of activities will be funded?

The Community Grant Scheme will accept projects that clearly demonstrate benefit to the local community or residents within the Dover District.

The grant must be used to pay for future clearly defined costs associated with projects that can demonstrate a clear community benefit.

Applicants are expected to provide accurate costs/quotes for costs in the application form. DDC reserve the right to request evidence to support the accuracy of the project costs outlined in your application to ensure the project meets the eligibility criteria.

## What is an eligible cost?

Cost	Description	Will DDC fund?
<b>Capital Costs</b>	These must be one-off costs that allow you to <b>purchase outright an item of equipment</b> with a life span of over 3 years.	Yes
<b>Revenue Costs</b>	These must be one-off costs that allow you to <b>buy in activities or services</b> . This could include room hire, service fees etc.	Yes
<b>Consumable costs</b>	These include <b>items that can be used up</b> , with a life span of under 3 years, such as pens, paper, ink, petrol, food or drink.	Yes
<b>On-going capital costs</b>	This is directly related to <b>ongoing or one-off maintenance</b> of your organisation's offices, buildings or structures. It describes things like one off repairs or scheduled improvements, that should be planned into works of maintenance. For example: Roof repairs or toilet refurbishments.	No
<b>Overhead costs</b>	These are usually costs that result from the <b>core overheads</b> of running your group. For example: staff time, staff costs or utility or rent/mortgage for premises.	No

## What is our financial reserve?

Reserves	Description
<b>Restricted Reserve</b>	Restricted reserves are funding set aside for a specific purpose. This could include what core operational costs you set aside to run your organisation like staff costs, insurances, website & domain, IT, building maintenance, corporate clothing etc. This can also include any other funding or initiatives you have monies set aside for, separate to your usual services.
<b>Unrestricted Reserve</b>	Unrestricted reserves are money that has no specific purpose, this could include any income, petty cash, or rainy-day funds, that you've saved with no direct purpose.

## How does it work?

Stages	Description
<b>Step 1</b>	Upon the closure of the application process, DDC Officers will check that the applications submitted meet the criteria and are eligible to go forward to the next stage. You may be contacted for further supporting information during this time.
<b>Step 2</b>	The Grants Appraisal Panel will meet to score the applications. Formal offer emails will be sent out to successful and unsuccessful applicants.  The grant will be paid directly to your group/organisation's bank account by BACS transfer. <b>You will not be paid by cheque.</b>
<b>Step 3</b>	It is your responsibility to ensure your bank can accept the BACs transfer. DDC will aim to pay the grant into your bank account within 28 days.  If you have any outstanding monitoring from a previous grant round, that should have been spent, you will not receive your payment until this has been submitted
<b>Step 4</b>	If you receive a grant, you will be required to complete and return a monitoring form. A monitoring form will be sent out to you after you have been paid. The completed form will need to show how you have spent the grant and how it has achieved its purpose. You will need to show evidence of payment (i.e. receipts).  Monitoring Forms must be completed within 8 months after receiving your funding.
<b>Step 5</b>	DDC will publicise all successful projects using their website and social media platforms. As a condition of the grant, DDC would expect you to publicise your project and the source of funding.  Please let us know of any publicity or events you have planned.

### Additional Documentation

When applying to the Community Impact Fund, you will be asked to provide an up-to-date **bank statement** and a valid **constitution**, all in the same name as the applicant.

#### 1. Bank Statement

An up-to-date Bank Statement is required to provide evidence that the group/organisation in question, is eligible to receive funding. Information provided on the Bank Statement will also be used to cross examine questions within the application form (for example financial reserves).

#### 2. Constitution

A valid constitution is required, as it sets out the rules and aims of your group/organisation and provides evidence that the group/organisation is active.

What is a constitution, and why should we have one?

1. Constitutions help people understand what your group/organisation is trying to do and will prevent confusion and/or conflict. It will also help to ensure that your aims and activities have a clear focus (and are therefore more likely to succeed).
2. Constitutions serve as a reference, helping to resolve any problems that may arise regarding which activities group members should be prioritising
3. Constitutions help raise the likelihood of receiving funding from other potential funders, as it proves the group/organisation is both democratic and accountable. Your Constitution should provide everyone with a clear procedure by which decisions are made.

### What are the legal and other requirements?

You can use the below information to understand what DDC will expect of your organisation in terms of meeting the various legal and other requirements.

- If your project is awarded a grant, **you** must make sure that you, your organisation and all your volunteers follow relevant Health and Safety legislation when you/they carry out the work.
- You must consider **national legislation** on equal opportunities, disability, access, safeguarding children and vulnerable adults etc. For example, do you have sufficient policies in place regarding these and/or will you need to arrange DBS Checks?
- **If your project involves land or buildings.** You must own or have secure tenure of any land or property involved in your project. If you are using someone else's land or buildings, you must be able to supply proper written authority from them for you to carry out the project.
- If your project requires **planning permission**, you will be entirely responsible for obtaining this. We expect that you obtain this before making your grant application. If planning permission is not in place (or is subsequently refused) and your project cannot then go ahead your application will become ineligible. You must tell your DDC Community Development Officer as soon as possible.

#### **Please Note**

DDC is not responsible for ensuring that your project meets these requirements.

However, we may request that you provide evidence of any such arrangements in support of your application. If you are not able to supply evidence when asked, or it is deemed insufficient, your application is unlikely to progress to the next stage.

If you are unsure about whether your project needs to consider any of the above, please contact your Community Development Officer using the contact details provided on the front page.
