

Dover District Council

Annual Governance Assurance Statement

1 APRIL 2021 TO 31 MARCH 2022

1. WHAT WE ARE RESPONSIBLE FOR

We are responsible for ensuring that our business is conducted in line with the law and proper accounting standards, and for using public money economically, efficiently and effectively. We have a duty under the Local Government Act 1999 to continually review and improve the way we work and at the same time have regard to a combination of economy, efficiency and effectiveness.

In order to meet our responsibility, we have in place proper arrangements for overseeing what we do, and this is called Governance. These arrangements make sure that we do the right things in the right way, that our services reach the right people and that we are open, honest and accountable in the way that we deliver those services. This all contributes to our sound system of governance

We have approved and adopted a Local Code of Corporate Governance and a copy of this is available on our website at <http://www.dover.gov.uk/Corporate-Information/CorporateGovernance.aspx>.

2. THE AIM OF THE GOVERNANCE FRAMEWORK

The Governance Framework details the systems, processes, culture and values that we are controlled by and which we are answerable to. It also shows what we get involved with and how we engage with the community. It also shows how we monitor what we are achieving so that we can deliver services that are appropriate and value for money.

The system of internal control is an important part of the framework and is designed to manage risk to a reasonable level. It cannot remove all risk of failure to achieve policies and aims and can only provide reasonable protection. The system of internal control is based on an ongoing process designed to:

- Identify and prioritise anything that could prevent us from achieving our policies and aims
- Assess how likely it is that identified risks might happen and what the result would be if they did
- Manage those risks efficiently, effectively and economically

The Governance Framework describes what has been in place at Dover District Council for the year ended 31 March 2022 and up to the date of approval of the Council's accounts.

3. OUR GOVERNANCE FRAMEWORK

Our Governance Framework is underpinned by seven core principles and supported by our Corporate Plan as well as many systems, policies, procedures and operations, which together ensure that the intended outcomes for our community and stakeholders are defined and achieved. Good governance is dynamic, and Dover District Council is committed to improving governance on a continuing basis through a process of evaluation and review.

The key features are:

(a) **Our Core and Supporting Principles**

The seven core principles are taken from the International Framework: *Good Governance in the Public Sector* and help this Council demonstrate good governance. Each of these principles translates into a range of specific requirements and they are also reflected in this Corporate Governance Local Code:

- A. Behaving with integrity, demonstrating strong commitment to ethical values, and respecting the rule of law.
- B. Ensuring openness and comprehensive stakeholder engagement.
- C. Defining outcomes in terms of sustainable economic, social, and environmental benefits.
- D. Determining the interventions necessary to optimise the achievement of the intended outcomes.
- E. Developing the entity's capacity, including the capability of its leadership and the individuals within it.
- F. Managing risks and performance through robust internal control and strong public financial management.
- G. Implementing good practices in transparency, reporting, and audit to deliver effective accountability.

(b) **Our Corporate Plan**

This is our main strategic document providing a framework for the delivery of our services and providing context for all the other strategies and plans that we have. The Corporate Plan for 2020-2024 is published and is available on the Council's website. The Council approved a new Corporate Plan in February 2020 which continues with the overall direction of travel as the previous version.

The following strategic priorities have been identified in the 2020-2024 Corporate Plan:

- Regeneration - Tourism and Inward Investment
- Housing and Community
- Climate Change, Environment and Assets – a cleaner sustainable environment
- Working Smartly and Delivering Services

(c) **Business Plans**

The Business Plan is one of the central mechanisms for each Head of Service managing their own area of activity and therefore sits at the centre of the Corporate Governance process. The business plans support the aims of the Corporate Plan which include performance indicators that are used to measure our achievements.

(d) **Our Constitution**

Our Constitution details how we operate, how decisions are made and the procedures, which are to be followed. It also ensures that we work in an efficient and transparent way and that we are accountable to local people. The Monitoring Officer is responsible for keeping the Constitution under review.

(e) **The Executive**

The Executive are responsible for most decisions and is made up of the Leader and a Cabinet. Major decisions to be taken are published in advance in the Executive's Notice of Forthcoming Key Decisions and will generally be discussed in a meeting open to the public. All decisions must be in line with our overall policies and budget. Any decisions the Executive wishes to take outside the budget or policy framework must be referred to Council as a whole to decide.

(f) **Corporate Management Team**

The Corporate Management Team comprises the Chief Executive (and Head of Paid Service); Strategic Director (Corporate Resources) (and Section 151 Officer) and Strategic Director (Operations and Commercial).

Members of Corporate Management Team have a responsibility for the day to day running of each Directorate of the Council. They must regularly assess their Directorate's assurance arrangements and provide the Council with the opportunity to keep check on the adequacy of its overall arrangements.

(g) **Governance Committee**

The seven appointed members of the Council provide independent assurance of the adequacy of the risk management framework and the associated control environment together with independent review of the Council's financial and non-financial performance to the extent that it affects the Council's exposure to risk and weakens the control environment. The Committee oversees the financial reporting process by considering the final Statement of Accounts. The Committee promotes high standards of conduct amongst the 32 members of Dover District Council and (up to) 317 members of Town and Parish Councils in the District. Complaints of service maladministration are investigated and reported to the Committee. Lessons learned from these complaints are reviewed and acted on.

The Chairman provides an Annual Report of the Governance Committee to the Annual Council Meeting

(h) **Overview and Scrutiny**

In July 2019, and as a result of the reduction in elected members, the Council voted to reduce to one overview and scrutiny committee who support and monitor the work of the Executive. A "call-in" procedure or addition to the work programme allows scrutiny to review Executive decisions before they are implemented, thus presenting challenge and the opportunity for a decision to be reconsidered. The Monitoring Officer provides an Annual Report of the Scrutiny Committees to the Annual Council Meeting.

(i) **Monitoring Officer**

The Monitoring Officer is charged by law with the responsibility for identifying and reporting on any acts or omissions of the Council which he considers to be contrary to law. He is also responsible for considering allegations of Members breaches of the codes of conduct. In January 2021, the Council agreed that this role could be undertaken on a part time basis with effect from 1 April 2021. The Deputy Monitoring Officer continues to work full time.

(j) **Our Solicitor**

The Solicitor to the Council provides his opinion on our compliance with our legal obligations. As from 1 January 2019 the same officer fulfils the role of Monitoring officer and Solicitor to the Council.

(k) **Data Protection Officer**

We have appointed a Data Protection Officer in accordance with Article 37 of the General Data Protection Regulation 2016. We support the Data Protection Officer by providing resources to undertake tasks and access to personal data and process and operations and to maintain expert knowledge. The Data Protection Officer his duties in an independent manner and we may not give the Data Protection Officer instruction on exercising his role. The Data Protection Officer is currently the Solicitor to the Council.

(l) **Financial procedures and Contract Standing Orders**

We have to ensure that we act in accordance with the law as well as various other regulations. We have developed policies and procedures for our officers to ensure that, as far as are possible, they understand their responsibilities both to the Council and to the public. Two key documents are the Financial Procedure Rules and the Contract Standing Orders, which are available to all officers via the Council's Intranet, as well as available to the public as part of the Constitution.

(m) **Financial Management**

Our financial management arrangements conform with the requirements of the CIPFA Statement on the Role of the Chief Financial Officer in Local Government. In addition to the Financial and Contractual procedure rules contained within the constitution, in order to maintain its financial management, the Council operates budgetary control procedures which are used in conjunction with a Medium-Term Financial Plan (MTFP).

Responsibility for ensuring that an effective system of internal financial control is maintained rests with the Section 151 Officer. The systems of internal financial control provide reasonable and not absolute assurance that assets are safeguarded, that transactions are authorised and properly recorded, and that material errors or irregularities are either prevented or would be detected quickly.

Internal financial control is based on a framework of management information, financial regulations and administrative procedures, which include the segregation of duties, management supervision and a system of delegation and accountability. On-going development and maintenance of the various processes may be the responsibility of other managers.

In particular, the process includes:

- The setting of annual budgets;
- Producing the Medium-Term Financial Plan
- Monitoring of actual income and expenditure against the annual budget;
- A mid-year review of the annual budget;
- Setting of financial and performance targets, including the use of the prudential code and associated indicators;
- Quarterly reporting of the Council's financial position to Members;
- Clearly defined capital expenditure guidelines;
- Treasury Management Strategy
- The monitoring of finances against a Medium-Term Financial Plan;
- Managing risk in key financial service areas.
- A continuous and effective internal audit.

Through our budget monitoring processes we are able to ensure that financial resources are being used to their best advantage, this includes quarterly management reporting to the Corporate Management Team and Members.

Financial planning is underpinned by business planning. Increased expenditure in any service area has to be justified to the Corporate Management Team, and where necessary approved by the Executive. Corporate Management Team is tasked with prioritising resources to ensure that the objectives within Corporate Plan are supported by the individual business plans, and that improvements are in line with corporate objectives.

(n) **Policies**

Corporate policies on a range of topics such as Equality, Information Governance and Data Protection are all subject to internal review. We keep all staff aware of changes in policy, or documentation through internal communications. The corporate training needs are identified each year and appropriate training for all, or key members of staff is provided.

(o) **Risk**

The risk management strategy, which forms part of the Corporate Governance Local Code, shows the role both Members and Officers have in the identification and minimisation of risk. Risks are recorded in a Corporate Risk Register and are then subject to regular review.

(p) **Service Assurance**

A Service Assurance Statement is produced annually by all Directors of this Council and of Shared Services detailing their assessment of their services. They are required to give assurance that risks have been identified that sound business arrangements operate in their service areas, and that the service is subject to monitoring and review in order to assess performance.

(q) **Performance Management Framework**

Progress towards the achievement of our objectives is monitored through our Performance Management Framework. A quarterly Performance Report is produced

and reviewed by Corporate Management Team, by Cabinet and by the Overview and Scrutiny Committee.

(r) **Internal Audit**

The Internal Audit function for the Council is performed by the East Kent Audit Partnership (EKAP), which provides internal audit services to the councils of Canterbury, Dover, Folkestone and Thanet. As a result of this collaborative approach the partnership is able to provide a mechanism for promulgating best practice to the East Kent authorities that use its services. The East Kent Audit Partnership Internal Audit Team reports to the Section 151 Officer. They operate under a Charter, which defines their relationship with officers, and the Governance and Audit Committee. Through their audit assurance work, internal audit provides an opinion on the effectiveness of the systems of internal control. As part of the annual review of governance arrangements and in particular the system of internal control, the Council undertakes an annual review of the effectiveness of the system of internal audit.

Internal Audit has responsibility to:

- Report on the level of assurance in respect of the Council's internal control systems.
- Provide an overall independent annual Opinion from the Head of the Audit Partnership highlighting areas of concern. This is compiled from the Internal Audit work programme and a review of the Council's risk management and Corporate Governance arrangements.

(s) **External Audit**

The work is currently undertaken by Grant Thornton, who are required to deliver their audit work in line with Local Audit and Accountability Act 2014 and in accordance with the Code of Practice issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General in April 2015.

(t) **Core Strategy and Local Plan**

The Core Strategy is the overarching statutory planning document for the District and was adopted by the Council in February 2010. The Core Strategy identifies the overall economic, social and environmental objectives for the District and the amount, type and broad location of development that is needed to fulfil those objectives. The Land Allocations Local Plan, which was adopted in 2015, identifies and allocates specific sites that are suitable for development in order to meet the Core Strategy's requirements.

Work is well underway in the development of a new District Local Plan which will replace the policies and proposals in the Council's Adopted Core Strategy, Land Allocations Local Plan and 'saved' policies from the 2002 Local Plan. Statutory consultation under Regulation 18 of The Town and Country Planning (Local Planning) (England) Regulations 2012 in respect of revised Local Plan took place between 20 January and 17 March 2021. The next formal stage of the process, which is the publication (consultation) of the Submission version of the Plan is expected to take place between October and December 2022. Further details of the progress to adopt the new Local Plan can be found at the dedicated website [here](#).

(u) **State of the District Report**

This report is a backward look at the state of the district, highlighting key information under the headings of: District Overview, Population Profile; Housing; Economy, Business and Employment; Finance; Education and Skills; Regeneration Delivery; Health and Wellbeing; Deprivation and Poverty; Community Safety and Quality of Life.

Not all information is collected and reported annually, as it is collated from a wide range of sources that is sporadically updated. In addition, periodically the process of capturing information is changed, this in turn makes year-on-year comparisons and trends difficult to assess. The report is published on our website and there will be regular updates as new data is published, with members informed in a timely manner of any significant changes.

(v) **Communication and Consultation**

Strategies are in place. We have active Twitter, Facebook and Instagram accounts, enabling the Council to communicate effectively with our communities and also enabling members of the public to communicate their views on a wide range of matters. In 2015 the Council launched its 'Keep Me Posted' email alert service which enables members of the public to subscribe to email messages from the Council on a wide range of topics.

(w) **Equality**

As part of our equalities responsibilities, we publish our equality objectives and progress against the targets to ensure that all groups in our community have a voice, can be heard and know how we make our decisions. A revised equality policy was adopted by Cabinet in March 2016.

(x) **Whistleblowing**

A confidential reporting hotline is in place to enable internal and external whistle blowing. Informants are requested to be open in their disclosure, but it is recognised that on occasions informants will wish to remain anonymous. There are also processes in place for staff to report through their line managers, Corporate Management Team or East Kent Audit Partnership.

(y) **Employment Management**

The Council's Human Resources service came back in-house during 2021/22 and the Head of Paid Service decided that the Employment Management Group be dissolved and replaced by a more streamlined Authority to Recruit process which is managed by the Human Resources Team, in consultation with Accountancy. Any requests that are not within agreed budgets are considered by the Authority to Recruit group before being referred to the Head of Paid Service who provides the final decision as to which posts can be filled.

(z) **Partnerships**

Partnership evaluation criteria have been established to help ensure that all key governance criteria are incorporated into new and existing partnerships.

4. REVIEW OF EFFECTIVENESS OF THE GOVERNANCE FRAMEWORK

We have a responsibility for conducting, at least annually, a review of the effectiveness of our governance framework including the system of internal control. 5. **THIS YEAR'S REVIEW**

(a) **Council**

Article 15 of the Council's Constitution makes provision for the regular review of the Constitution by the Monitoring Officer. The key focus of the review in 2021/22 was reviewing the incorporation of changes previously agreed by the full Council (such as amendments to the Members' Allowances Scheme); reflecting structural changes to the Council's organisational structure; reflecting legislative changes in the Scheme of Officer Delegations (particularly around the Port Health function); the collation of changes made by decision-making bodies such as the Cabinet or Council during the course of the previous year; and general administrative amendments.

(b) **Cabinet**

Key Executive decisions were considered by the Cabinet, in particular relating to the budget and medium-term financial plan, and the delivery of key regeneration priorities.

The Council's Quarterly Performance Report was received and reviewed quarterly. This examines our performance against agreed performance targets and our key priorities.

(c) **Scrutiny**

The Council's key priorities and Performance Indicators were reviewed regularly and challenged if necessary.

The Annual Report of the work of the Scrutiny Committees for 2021/22 was presented to the Annual Council Meeting on 18 May 2022. This identified sound governance arrangements, including an effective scrutiny process, which underpins the achievement of the Council's corporate objectives.

(d) **Governance Committee**

The Governance Committee received quarterly updates from the Head of East Kent Audit Partnership on the assurance which can be placed against various systems and processes during the year, including reviews of internal controls, along with the annual assessment. The Committee kept a check on those areas that have not achieved expected levels of audit assurance.

This Committee also reviewed the effectiveness of the Council's risk management arrangements.

The Monitoring Officer is responsible for ensuring that the Constitution is reviewed regularly. It is not practical to undertake a review of the whole Constitution each year, so specific areas are selected each year. During 2021/22, the key focus of the review was on the incorporation of changes previously agreed by the full Council (such as the single scrutiny committee and amendments to the Members' Allowances Scheme); reflecting structural changes to the Council's organisational structure; reflecting legislative changes in the Scheme of Officer Delegations (particularly around the Port Health function); the collation of changes made by decision-making bodies such as the Cabinet or Council during the course of the previous year; and general administrative amendments. The Governance Committee recommended the changes for approval by the Council. All are documented on our website.

The Annual Report of the work of the Governance Committee for 2021/22 was presented to the Annual Council Meeting on 18 May 2022. This gave a positive opinion on the system of internal control. The Governance Committee continued to be assured of the integrity and reliability of data held in financial statements. The work undertaken by Internal and External Audit provided detailed assurance on those areas of the Council's work which were the subject of reports.

The assurances from the Strategic Director (Corporate Resources) and the Strategic Director (Operations and Commercial) and the work of Internal and External Audit together supported the Committee in forming their opinion of the financial statements, enabling them to agree to sign the 2019/20 accounts. At present the 2019/20 accounts are awaiting final sign off by External Audit, who are waiting the outcomes of the CIPFA consultation on treatment of Infrastructure Assets. The 2020/21 audit process is due to commence in Summer 2022. For this year, the process will be delayed again but the Committee will be provided with the necessary assurances to approve the 2021/22 accounts once the 2021/22 audit process has been completed. The deadline for the final accounts to be approved has been changed by legislation owing to the Covid-19 pandemic.

The submission of this Annual Report continues to enhance the effective communication of our governance processes.

The Governance Committee received annual reports on the progress of formal service complaints against the Council and lessons learned from those complaints.

The Local Government and Social Care Ombudsman received 15 complaints and enquiries against the Council during the 2020/21 municipal year. Four were 'upheld', one was 'not upheld', six were closed after initial enquiries and four had been received prematurely and were referred to the Council to be processed through our complaints process. The Council received no decisions from the Housing Ombudsman for the 2020/21 financial year, but the housing management service only returned to the Council on 1 October 2020.

The Local Government and Social Care Ombudsman received 23 complaints and enquiries against the Council during the 2021/22 municipal year. One was 'upheld', one was 'not upheld' and ten were closed after initial enquiries and 11 had been received prematurely and were referred to the Council to be processed through our complaints proceed.

Changes adopted by Council in January 2014, included a provision which allows Members to declare non-financial interests. The Kent Model Code of Conduct continues to be regularly reviewed in order to ensure that it remains fit for purpose. The ability to declare a non-financial interest has been welcomed by Members and has been utilised on several occasions to ensure transparency in decision-making.

(f) **Review of Internal Audit**

The effectiveness of internal audit is monitored by the Section 151 Officer through:

- Quarterly review meetings with the Head of Internal Audit
- Sign off of the Audit Plan
- Review of the internal audit annual report
- Attendance at Governance Committee

- Review of individual audit reports
- Meetings with the S151 officers of the other partners

(g) The Work of Internal Audit

The overall opinion of the System of Internal Controls in operation throughout 2021/22 based on the work of the East Kent Audit Partnership is presented in their annual report to the Governance Committee in July.

- The internal auditors are independent to the management of the Council and have direct access to the Chair of the Governance Committee if required. They provide a regular update to the Committee at each of the quarterly meetings and may attend any special meetings that may be convened during the year.
- As at 31 March 2022 the Internal Auditors completed 297.6 days of review equating to 99.2% of planned completion.
- The EKAP undertakes a regular schedule of follow up audits to ensure that management have implemented the action plans arising from each audit. Members can see full details within the Internal Audit Annual Report 2021/22.
- The EKAP met as a team in March 2020 and considered the Public Sector Internal Audit Standards (PSIAS) Checklist for compliance. The results of this self-assessment showed that internal audit is currently working towards full compliance and has agreed an action plan to achieve this. The lack of an External Quality Assessment (EQA) against the PSIAS is hereby disclosed as non-conformance in this Annual Governance Statement. The four Section 151 Officers acting as the EKAP Client Officer Group continue to be content to rely on the self-assessment process for the PSIAS and not commission an EQA.
- As part of EKAP's quality monitoring arrangements Members should be aware that following the completion of each audit, a satisfaction questionnaire is completed by the managers of the service that has been audited enabling the officers involved to comment on the conduct and outcome of the audit. This information is used, in part, to inform the self-assessment and continuous improvement.

(h) External Reviews

There were no external reviews held this year.

(i) Training

Comprehensive Training is provided at the outset for the new Council, and this is refreshed during the four-year term, to ensure that the councillors have the skills and expertise to make sound and effective decisions.

The officer performance appraisal includes a personal development plan, where training and development needs are discussed and agreed. These will now be provided annually to the HR Manger to help inform the training needs of the organisation, some of which will be delivered corporately via the Corporate Training Plan. In 2020/21 a number of Managers and Team Leaders continued to work

towards an Institute of Learning and Management qualification (level 3 or level 5), which helps enhance their skills and knowledge as leaders in the organisation.

(j) **Members Code of Conduct**

During 2021/22 the Monitoring Officer has received 23 complaints, an increase of 1 when compared against the previous year. The 23 complaints received in 2021/22 related to members at 7 authorities, a decrease from 10 authorities the previous year.

The Governance Committee Hearing Panel was not called upon to meet during 2021/22. In accordance with Annex 1 of the Arrangements, it is reported that there were a total of three decisions of Informal Resolution agreed in respect of Members at Deal Town Council, Walmer Town Council and Sandwich Town Council.

During the municipal year 2021/22 there were no requests for dispensations.

6. **SIGNIFICANT GOVERNANCE ISSUES DURING THE YEAR**

- (a) The Annual Reports of the Scrutiny and Governance Committees provide a positive statement and opinion regarding the governance arrangements and the effectiveness of the internal control environment operating across this Council.
- (b) There were 15 cases reviewed by the Local Government Ombudsman during 2020/21, with maladministration being found in four cases (one each for Housing Repairs and Property Services and two in relation to Planning).
- (c) There were 23 cases reviewed by the Local Government Ombudsman during 2021/22, with maladministration being found in one case relating to Housing Needs.
- (d) The Notice of Forthcoming Key Decisions continues to publish key decisions to be taken by the Cabinet. Cabinet Reports are considered by Finance, Legal and Equalities Officers and then by CMT to ensure that outcomes are consistent with the Council's corporate direction.
- (e) A suite of performance indicator targets were previously approved by Cabinet and were then measured via the quarterly performance reports. A revised set of targets will be brought forward and reported via a Performance Dashboard in 2022/23.
- (f) It has been over four years since the General Data Protection Regulations (GDPR) came into force on 25 May 2018. The Council continues to progress with the requirements of data protection legislation. Including, but not limited to all staff training, reviewing data processing activity, developing our suite of privacy notices and retention schedules for services across the Council, and completing our records of processing activity using a new privacy management solution. Data Protection and the Rights and Freedoms of Individuals are at the forefront of personal data processing activities.
- (g) During the Covid 19 pandemic the Government introduced legislation to allow for local authorities to live broadcast its remotely held Council and Committee meetings that would in normal circumstances be open to the public. This proved to be very successful with levels of public viewing on several occasions in excess of that which could be comfortably accommodated in normal circumstances in the Council Chamber. Council approved for a trial period to test the feasibility of broadcasting

meetings of the Executive, Council and Committees. The trial was subsequently extended for a further six months to the end of 2021/22.

- (h) During 2021/22, the Council agreed the creation of an additional Strategic Director post, to be designated as a Chief Officer in accordance with the Council's Constitution and the revised distribution of Chief Officer functions be approved. Following unsuccessful recruitment, it was decided that internal only recruitment would take place instead and this process will be concluded during 2022/23.

7. **IMPROVEMENTS DURING THE YEAR**

- (a) The Council continues to work with the Cabinet Office to obtain continued Public Sector Network (PSN) Compliance. This included IT Equipment, systems and software upgrades to ensure PSN compliance and to ensure that staff and members can work safely and securely from any location.
- (b) The East Kent Corporate Information Governance Group continues to meet on a regular basis with the suite of Information Governance Policies (16 in total) being kept under regular review by the group. A full review of the policies was undertaken and approved by the General Purposes Committee in December 2020. The Head of Governance remains appointed as the Council's Senior Information Risk Officer (SIRO) with the Digital Services Manager as the Deputy SIRO.
- (c) The 2021/22 Pay Policy Statement was delivered and adopted at the Council Meeting in March 2022.

8. **OPINION OF THE HEAD OF GOVERNANCE**

I can confirm that the governance arrangements provide and continue to be regarded as fit for purpose in accordance with the governance framework and will ensure that that the implementation is monitored as part of the next annual review.
