Community Event on
13th June 2023 at 10am
At The Gazebo in
Northbourne Park

Come & meet the team!

We will be visiting your estate on **13th June 2023 at 10am**, look out for our Community Roots Van and gazebo on the Green on Northbourne Park.

You will have a chance to speak to our housing and repairs team along with Mears and Environmental Crime to discuss any issues or queries you have.

We'll have freebies, fun and games and a chance to win in our prize draw.

Having a clear out?

When waste gets collected, the refuse and recycling lorries will only take what is correctly put out on collection day. If the waste isn't in the correct bins or bagged up, rubbish might remain. This includes bulky items.

Clearing items which pose a health and safety risk costs the Housing department thousands of pounds each year, this is money that could be spent on estate services, planned improvements etc. **Please take additional household waste to the tip, list the item on a site like eBay or marketplace or donate it to the charity shop.**

How are we doing?

Please take part in our tenants' survey for 2023, so we can hear your views and help improve our services.

We're giving away prizes totalling **£350** so make sure you're in it to win it!

Make sure your details are correct

Have you had a baby? Someone moved out? Or have you got a new phone number or email address?

Please let us know so all the information we hold is accurate and in date.

We've made this really simple by creating a quick and easy form which is available on the 'Housing For Tenants' section of our website or scan this QR code:

Tower Hamlets forum

Speaking to local residents the **Tower Hamlets Forum** group found on Facebook seems to bring great joy and be a valuable source of information for local residents. Allowing residents to share experiences and see what has been happening and what is being offered in the area.

What's on in your area:

Now the sun is shining why not visit your local High Meadow (right) or Whinless Downs nature reserve and see what fauna and flora you spot.
