Dover District Council

Your Communal Recycling Guide

Recycle Right. Every Time.

Everything you need to know about recycling, food and garden waste collections in Dover District.

Whether you're recycling at home, using your food waste service, or looking for ways to reduce waste, this guide will help you make the right choice.

Working together for a cleaner, greener Dover District

WASTE SERVICES DOVER DISTRICT COUNCIL

Recycle Right

Put these in the blue-lidded bin

- **Plastic bottles** (including shampoo and shower gel bottles)
- **Food tins & drink cans**
- **Aerosols & foils**
- **Food & drinks cartons**
- **Glass bottles and jars**
- **Plastic pots, tubs, trays & tubes**

Help us recycle more efficiently by removing lids from glass jars and bottles, allowing glass and metal to be sorted correctly.

Plastic lids can stay on plastic bottles.

Remember to empty and rinse all containers first.

Do not put these in your recycling bins

- ✖ Batteries
- ✖ Electrical items
- ✖ Vapes
- ✖ Food waste
- ✖ Nappies
- ✖ Garden Waste
- ✖ Soil and Rubble
- ✖ Plastic toys
- ✖ Clothes
- ✖ Food Waste
- ✖ Paints and oils
- ✖ Black sacks / plastic bags
- ✖ Paper and card

Helping residents recycle more, waste less and keep valuable materials in circulation.

Paper & Card Recycling

Place paper and cardboard in the black-lidded bin

Flatten cardboard boxes and place in your recycling box.

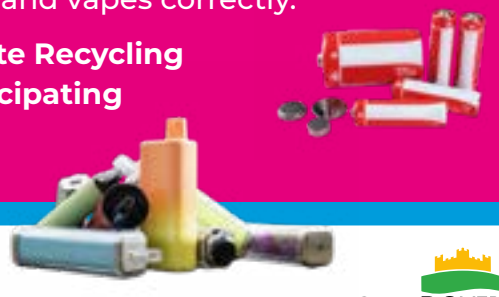

Warning

Electricals, batteries and vapes should never be put in your bins.

Keep your home, collection crews and vehicles **safe from fire,** by recycling electricals, batteries and vapes correctly.

Take vapes to a Household Waste Recycling Centre or return them to a participating vape shop for recycling.

WASTE SERVICES DOVER DISTRICT COUNCIL

Food Waste Recycling

Almost all food can be recycled

- **Fruit and vegetables**
- **Meat, fish & bones**
- **Dairy products**
- **Bread, rice and pasta**
- **Leftovers**
- **Tea bags and coffee grounds**

Please use compostable bags or newspaper.

No plastic bags.

Small changes can make a big difference.

Here are some practical tips to help you reduce waste, save money, and benefit the environment.

- Write a list before you go shopping and only buy what you need and will use
- Buy loose fruit and vegetables and avoid items that are heavily packaged
- Use up leftovers for meals the next day.

Scan the QR code for inspiration on how you can use leftovers.

Easy Recycling

Living in a communal property

If you live in a flat or property with shared waste and recycling facilities, please use the communal bins provided and help keep bin stores clean, safe and accessible for all residents.

Recycling

- **Recycle loose, clean items**
- **Flatten cardboard**
- **Use the correct bin**
- **Empty and rinse containers**

General Waste

- **Bag non-recyclables**
- **Keep lids closed**
- **Put waste inside bins**

No Fly-Tipping

- **Do not leave waste next to bins**
- **No bulky items, mattresses or electricals**
- **Fly-tipping attracts pests, creates hazards and may prevent collections.**

Bulky Waste

Large items such as furniture, mattresses and household appliances cannot be placed in communal bin areas.

These items can be:

- **Taken to a Household Waste Recycling Centre**
- **Donated if still in good condition**
- **Collected through the Council's bulky waste collection service**

Helping residents recycle more, waste less and keep valuable materials in circulation.

WASTE SERVICES
DOVER DISTRICT COUNCIL

Contaminated Waste

If the wrong items are placed in your recycling bin, it may not be collected.

- **Food waste**
- **Black sacks / plastic bags**
- **Nappies**
- **Electrical items**
- **Batteries and vapes**
- **Paper and card**

Putting the right items in your recycling bin helps ensure that more materials can be successfully recycled into new products.

If recycling contains items that cannot be accepted, the quality of the collected materials may be affected, reducing the amount that can be recycled.

Batteries

Batteries can be recycled at the kerbside with your other recycling. Simply place them in a battery recycling bag, or a clear food bag, and leave them on top of your black box on collection day.

Please keep button batteries separate from A/C/D batteries.

Free battery recycling bags are available from the Council Offices at White Cliffs Business Park, Whitfield, Dover CT16 3PJ.

Helping residents recycle more, waste less and keep valuable materials in circulation.

Garden Waste

We offer a garden waste collection service.

Please speak to your property manager about arranging a garden waste bin for the property.

We collect:

- **Grass cuttings**
- **Twigs and small branches** (branches must be smaller than 9cm in diameter)
- **Prunings and hedge clippings**
- **Flowers and plants**
- **Weeds** (except Japanese Knotweed and Ragwort)

For more information and to register for our garden waste service, scan the QR code or visit:

Reuse, repair & recycle

Reuse

- Take your shopping bags with you when you go to the shops and remember to keep empty ones in your car.
- Use refillable water bottles and coffee cups.
- Keep sandwiches in a reusable lunch box instead of wrapped in foil.

Repair

Give broken items a second life before throwing them away. Visit the Dover and Deal Repair Cafés, where skilled volunteers provide free help to repair everyday items. From broken zips and children's bikes to well-loved teddies, bring your item along and see if it can be fixed.

Recycle

Make the most of opportunities to reduce waste. Recycle as much as possible through kerbside collections or your local recycling centre, donate or recycle unwanted clothes, and give items a new life by swapping, selling, sharing or passing them on to others.
