Your Tenancy Agreement

1.1 General

1.1.1 This Tenancy Agreement (the 'Agreement') is an important legal contract. It sets out the rights and responsibilities of Dover District Council as the landlord, and of you as the tenant. By signing this Tenancy Agreement, you are agreeing to become our tenant and abide by the terms and conditions of this Agreement. This is a legally binding contract with Dover District Council.

1.1.2 Securely signing documents digitally will be treated as the legal equivalent of a handwritten signature for all purposes connected with this Tenancy Agreement. Securely signing documents may be used by the Council to facilitate the service for example, but not limited to, sign-up, mutual exchange and termination.

1.1.3 If there is anything within this Agreement that you do not understand please contact the Housing Services team or seek legal advice before you sign it.

1.1.4 We can take enforcement action against you if you break any of the conditions of this agreement. There is a range of legal action, but action could ultimately result in the termination of your tenancy and the loss of your home.

1.1.5 The Council is not responsible for any loss of, or damage to, your personal possessions, furniture, or any other items you bring into the property, whether caused by fire, theft, flood, or any other incident, unless this arises directly from our negligence. You are responsible for ensuring your personal possessions, furniture or any other items you bring into the property are adequately insured for the duration of your tenancy. Further information is available in the Tenant Handbook.

1.1.6 As the tenant, or tenants, you will be responsible for any breach of the terms and conditions of this Agreement by members of your household, including lodgers, sub-tenants, children and visitors to the property whether inside the property or within your neighbourhood or shared areas, internal or external.

1.1.7 On some occasions special conditions may apply to your tenancy. These may be personal to you or relate to the home you live in. We will tell you about these special conditions in your offer of tenancy.

1.1.8 By signing this Agreement you also agree that officers managing your home may check the status of any benefit claim you may make to help you pay your rent.

1.1.9 You must give us **written** permission for someone to act on your behalf. You can do this by contacting Housing Services by email: housing@dover.gov.uk or by phone: 01304 801084.

1.1.10 A person who is not party to this Agreement is not intended to have any right under the Contracts (Rights of Third parties) Act 1999 to enforce any terms of this Agreement.

1.1.11 For more information about Dover District Council's tenancies, please refer to the Tenant Handbook and the Council housing webpages.

1.2 Introductory tenants

Section 1.2 applies to introductory tenants only.

1.2.1 Your Introductory Tenancy is granted pursuant to Part V of the Housing Act 1996.

- 1.2.2 As an introductory tenant you do not have as many rights as secure tenants. Details of your rights under this agreement are set out in Section 2. While these show your legal rights, you may still be required to obtain our written permission or to notify us before you do some of them. Section 3.14 of this Agreement sets out where permissions or notifications are required.
- 1.2.3 Introductory tenants living in Sheltered Accommodation have the same rights as other Introductory Tenants except where it is set out in this document.

At the end of the period if you have not broken any of the tenancy conditions, ordinarily your tenancy will move to a Secure Tenancy.

If we want to extend or end your tenancy

- 1.2.6 If during your Introductory Tenancy you break any of the tenancy conditions we can:

Your rent is due every week from the date at the beginning of this Agreement and must be paid every Monday in advance. If you prefer to pay fortnightly or monthly, you must still make sure that you pay your rent in advance.
- 3.1.2 If you are joint tenants, you are each responsible for paying all rent and charges when they are due. If one joint tenant leaves the property, both will still be equally responsible for any rent or charges until the joint tenancy ends.
- 3.1.3 If you believe that you are entitled to Housing Benefit, Universal Credit, or any other financial support in paying your rent, it is your responsibility to claim this and to have a bank account for this money to be paid into. You must ensure that you provide all the information requested to process your claim and that you notify the relevant authority of any change or circumstance as required.
- 3.1.4 If you have difficulty paying your rent, you or your authorised person with permission to act on your behalf must contact us immediately.
- 3.1.5 If you do not pay your rent, persistently pay it late, or do not pay rent arrears we can begin court proceedings to seek an order for possession of your property. These

proceedings may incur additional charges such as court fees and legal costs that you may be ordered to pay.

- 3.1.6 If you are evicted because you do not pay your rent this may affect your chances of being rehoused by us or another social landlord.
- 3.1.7 If your tenancy ends you must pay the rent and / or costs which you owe in full. If you are joint tenants, we can recover all money owed to us from either of you or both of you.
- 3.1.8 If any money is to be paid to you by the Council as your landlord, the Council reserves the right to deduct any debts or charges owed by you to the Council including rent arrears, other costs, or outstanding Court costs.
- 3.1.9 A rent statement can be requested from us if you require one. Please see the Tenant Handbook for further details.

- 3.2.4 You must tell us if you will be away from your home for 28 days or more in writing, telling us the dates of your absence and the name and contact details of a nominated key holder in case of emergencies. If you are unable to notify us directly, for example due to medical reasons, you must ask an authorised person to act on your behalf to contact us.
- 3.2.5 You must take all reasonable measures to ensure that, during any period of absence from your property, it is adequately secured to prevent unauthorised access. You must ensure that the property is always heated adequately and that the water is turned off at the mains if you will be away for a long period during cold weather. - 3.2.6 You must not allow your home to be overcrowded (as defined under Part X of the Housing Act 1985). We can apply for a possession order if we find that your property is overcrowded. This does not apply to overcrowding arising from the natural growth of a family, but you must notify us if your home is overcrowded so that appropriate arrangements can be made.

Any damage (however caused) must be repaired. If you fail to repair any damage, you must pay the costs incurred by the Council in carrying out those repairs. This also includes rectifying any alterations, improvements or additions you have made with or without the Council's permission, or which have not been carried out correctly or to the correct standard.
- 3.13.5 You must ensure that the property, including all gardens, patios, side entrances, lean-tos, alleyways, cellars, sheds, lofts, roof space, outbuildings and any shared areas (internal and external), internal and external, are left clean, tidy and completely cleared of any furniture, personal belongings, white goods and rubbish. If you leave the property in an unclean or untidy condition, you will be responsible for all costs of any cleaning, redecoration, clearance, disposal or storage (on a case-by-case basis) undertaken and paid for by the Council.
- 3.13.6 Any items that are left in the property, garage, gardens, sheds or outbuildings will be regarded as unwanted and will be disposed of. You will be recharged for the disposal of these items.
- 3.13.7 You must remove any greenhouse, garage, shed, decking or other structure and fill in ponds you have put in your garden unless we agree in writing that you can leave it. If you do not, we will remove them and recharge you for doing so.

3.13.8 You must not leave any person, pet or animal in the property when you move out. If you do not intend to keep your pet or animal when you move, it is your responsibility to organise its rehoming. You will be recharged if we have rehomed an abandoned pet. If we take legal action you may have to pay our legal costs.

3.13.9 You must pay your rent in full before you leave. If you cannot clear your rent, you must ensure you leave a forwarding address and arrange to pay the balance.

3.13.10 You must notify utility companies and provide them with a copy of your meter reading(s) at the point you move out of your property, or you may incur additional charges. You must ensure you clear any outstanding debt before you leave the property.

3.13.11 You will be responsible for paying the rent and / or a charge for use and occupation until whichever of the following dates is the latest:

- The date upon which any notice to terminate expires; or
- The date upon which you leave the property and give back vacant possession of the property; or
- In the event of you failing to give written notice or to return the keys, or you do not give vacant possession the date upon which the Council takes possession.

3.13.12 If you leave the property owing rent or use and occupation charges, this may affect whether you are offered another council tenancy in the future. If you are later granted another council tenancy, you agree that any outstanding rent or use and occupation charges may be transferred to your new tenancy and added to your consolidated rent account.

3.14 Permissions

3.14.1 You must obtain our written permission for the following points. If we grant permission, you will be subject to specific terms and conditions outlined in our written approval. If you do not abide by the terms and conditions, we can remove the permission and / or take enforcement action against you.

- a) If you want to run a business or non-profit from your home. We will not unreasonably refuse permission unless the business or non-profit would cause a nuisance to your neighbours or cause damage to the property or shared areas, internal and external. In addition to obtaining our permission, you may also need to secure any necessary planning permissions.
- b) If you want to exchange your home with another social housing tenant. Restrictions apply.
 - Introductory tenants cannot exchange their home with another social housing tenant.
 - Sheltered Accommodation tenants can only exchange with another tenant eligible for the scheme.
- c) If you want to sublet part of your property or take in a lodger. We will always refuse permission if the property would become overcrowded, or, in the case of Sheltered Accommodation, if the lodger would not be eligible to live at the property.
 - Introductory tenants cannot take in lodgers or sublet part of their property.
 - Sheltered Accommodation (secure) tenants cannot sublet part of their property.

- d) If you want to keep any animal or pets in your home, including assistance dogs. When considering granting permission we will take the following into account:
- The number, type, size and breeds of your pet
 - The type and number of pets already living in your home
 - The type and size of your home
 - The number of people living in your home
 - Proximity and access to roads, green spaces and outdoor areas
 - Whether your home is a sheltered housing scheme
 - Any legislative or licensing requirements or regulatory obligations
 - Any prior history of anti-social behaviour, unacceptable behaviour, rent arrears or any other tenancy breaches

You will be required to remove any animal or pet kept without our permission or any animal or pet deemed unsuitable or causing a nuisance. Failure to comply may result in your animal(s) or pet(s) being removed from your home and / or could include action to end your tenancy.

Your permission will cease when your animal(s) or pet(s) passes away or no longer lives in your home. You will need to reapply for permission for any new animal or pets you want to keep, or your animal or pet returns to your home.

- e) If you want to make any improvements and / or alterations (as defined in Section 5.0) to the property. We will not give permission until evidence has been received that you have the necessary building regulation and / or planning permissions.
- Both Introductory tenants and tenants in Sheltered Accommodation cannot make improvements and / or alterations to their home.

- f) If you want to erect a greenhouse, garage, shed, fishpond, swimming pool or hard-standing hot-tub in your garden or balcony.
- g) If you want to remove, alter, install or replace any hedge, fence, wall or the boundary of the property.
- h) If you want to plant or remove any trees that are within the boundary of your home. Please note, for trees protected by law you will require written consent from the local planning authority.
- i) If you want to alter any external shared gardens or areas, subject to consultation.
- j) If you want to use the loft / attic space in your home for example, but not limited to, storage. We will not grant you permission to use the loft / attic space as accommodation or a living area.
- k) If you want to store or charge any battery, petrol or diesel operated vehicles, including mobility scooters and e-bikes, or machinery, in your home and / or a shared space.

3.14.2 It would be unlikely that we would grant you permission if doing so will:

- Cause a nuisance or annoy your neighbours
- Cause damage to your property, or neighbouring properties
- Cause health and safety risks

3.14.3 Other reasons may apply. We will not unduly withhold our permission without clear and valid reasons. We also reserve the right to withdraw our permission at any time if you fail to comply with the conditions. Please refer to the Tenant Handbook on how you can request permission.
